### **Communicator Award: Baker Creative Takes Home Visually Appealing Website**

GROVEPORT, OH – Baker Creative, a full-service agency, has won a 19<sup>th</sup> Annual Communicator Award for a visually appealing website. With hard work from the staff, Baker Creative released the new and improved website two months ago.

The updated website includes a back-ground on Baker Creative, what we stand for, interactive case studies, a client list, agency news and contact information. Social media platforms and blog links are also available.

“The whole staff was involved with the new design. I had a vision of a fresher look and updated values. We believe it is important to showcase the hard work Baker Creative does so current and potential clients can really get to know us,” said Michele Cuthbert, Creative Director of Baker Creative.

The Communicator Awards recognizes work from leading international communications and marketing companies. With over 6,000 entries, this award is one of the largest of its kind in the world.
